Join the EWA!

Your Benefits as an EWA Member

EWA members associations have access to more than 50,000 water professionals throughout Europe and beyond. The European Water Association (EWA) is an independent non-governmental and non-profit making organisation dealing with the management and improvement of the water environment. This strong organisation offers their members:

Information

Receive information European legislation and standardisation in the water sector

- Participate in interesting, up-to-date and high focused conferences and workshops about European water issues
- E-mail news service: the EWA Newsletter. By sending an e-mail to info@ewa-online.eu you can subscribe to our bi-monthly e-mail newsletter. This service contains up-to-date information from Brussels about water and water management subjects on a European and international level.

European Networking

- Get in contact with water professionals from various fields and countries, including the Central and Eastern European Countries, at conferences, workshops, and EWA's Annual Meetings
- Profit from the European network of the EWA
- Exchange experiences among European Water Associations
- Develop contacts with the European Commission and the European Environment Agency

Technical Work

- Work together with other experts to influence the European water agenda, legislation and standardisation in EWA's European Technical and Scientific Committee (ETSC) and its Working Groups

Make yourself known

- Have your organisation's website linked from EWA's homepage
- Present your company to all EWA members and the European water world through a description in the EWA Yearbook
- Display your logo on all EWA conferences and publications

Type of Membership

National Membership

The EWA is the umbrella of European Water Associations. By being a member, your association has the opportunity to participate in the governance of the EWA and to make use of the following benefits:

- Discuss and plan the activities of the association at the annual EWA Council meeting
- Share the European Water Platform with fellow member associations
- You will receive reports of the Strategic Coordination Group meetings from the WFD in Brussels – where EWA is member together with other selected European NGO's
- Contacts with the European Commission (DG Environment and Research) and the European Environment Agency

Membership fee depends on the association's gross income

Sponsor Membership

Sponsor Membership is open to appropriate commercial, profit making and other organizations involved in the water sector that are especially willing to support the activities of EWA and foster the sustainable water management in Europe.

- Be a guest at the yearly EWA Council meeting
