

# Call for Posters

## International EWA Symposium on Sustainable Wastewater Management New Strategies, Technologies and Innovative Solutions

Munich, Germany - IFAT ENSORGA 2010  
13 – 17 September 2010

### First Announcement

**Deadline for Abstract Submission: 30 April 2010**

EWA Symposium on Sustainable Wastewater Management is held during IFAT 2010, one of the most important international trade fair for environmental technology, offering also entire range of products and services on water and wastewater management. In addition to exposed commercial and technical information, the visitors will be able to follow a parallel EWA Symposium, organized to exchange the latest findings and share experiences of engineers and scientists regarding new strategies, techniques and innovative solutions, and allow the participants to hold discussions on the applications and practical implementation. The programme will have a practical focus which fits in well with the interests of the delegates and exhibitors at IFAT ENSORGA 2010.

The poster session will take place during the whole Symposium. The posters will be exhibited in front of the conference room from 14<sup>th</sup> September 2010 until 15<sup>th</sup> September 2010. A presentation is not expected from the authors of the posters. However, the posters will be evaluated by the conference audience. The best poster authors will have the opportunity to publish their paper in the EWA scientific journal.

Abstracts will be accepted by e-mail until **30th of April 2010** to Ms Boryana Dimitrova ([dimitrova@EWA-online.eu](mailto:dimitrova@EWA-online.eu).) You can download a submittal form for the abstract on the EWA website: [www.EWA-online.eu](http://www.EWA-online.eu).
