Extended abstract submittal 17 February 2019

**“3rd EWA Spring Conference 2019:
Advanced Technologies and Solutions for
Groundwater Management and Use for
Drinking Water Supply”**

Copenhagen, Denmark, 9 – 10 May 2019

organized by:

EWA (European Water Association), Danish Water Forum (DWF) in cooperation with
ATV Soil and Groundwater

Conference Venue: GEUS, Øster Voldgade 10, DK-1350 Copenhagen, Denmark.

Conference Description

The European Water Association (EWA) Spring Conference organized by the Danish Water Forum (DWF) in cooperation with ATV Soil and Groundwater to take place in Copenhagen 9 - 10 May 2019 herewith invites authors to submit abstracts for oral presentations or posters.

The theme for the conference is Advanced Technologies and Solutions for Groundwater Management and Use for Drinking Water Supply, with the following sub-themes:

- Groundwater-based Drinking Water Supply (Treatment, Distribution, Monitoring and Control, and Reuse)
- Groundwater Remediation
- Groundwater Mapping, Monitoring and Modelling

We invite all water professionals involved in research and innovation as well as practical demonstration of water solutions within these sub-themes to submit an abstract by 17 February 2019 at the latest. Abstracts must fall within the theme of the conference, and we in particular invite abstracts within the mentioned sub-themes. Presentations should have a European perspective or relevance. Abstracts are to be no more than 250 words long and must be submitted electronically together with a short biography of max. 150 words (delivered in WORD) to Danish Water Forum dwf@danishwaterforum.dk clearly marked “Abstract EWA Spring Conference 2019” A final notification as to whether the abstract has been accepted for either oral or poster presentation will be provided by 1 March 2019. There is no limit to the number of abstracts you may submit. Please indicate the preferred platform on the submission form. The allocation of presentations is at the discretion of the Organizing Committee.

A conference web site will be set up soon. Registration will be open by Mid November 2018, and the web site will also provide further information on abstract layout guidelines, accommodation, travel, draft programme (when ready), etc. The conference fee will be 350 EUR (300 EUR for early bird registration) for employees of an EWA member organisation and 150 EUR for students. For non-members, the fee will be 400 EUR and 350 for early bird registration.

As a commitment to attend and support the conference, accepted presenters are expected to register and pay for a full registration. Potential presenters should note that all costs to attend the Spring Conference must be met from their own resources.
