

### **Water-related questions in the European Parliament**

One key element of the European Parliament within its right to political control is the right to table written and oral questions to European Institutions, largely , to a smaller extent to the Council.

Members of Parliament show a regular interest of water issues in their Parliamentary questions.

Between 17 September 2018 and 11 February 2019 a total of 69 water-related questions have been tabled.

EWA Newsletter provides you in each edition with the summary text of the questions and their authors and date. Via a link you may study the full text of questions and related answers.
