

### Revision of the Drinking Water Directive: state of play

© Ecorys, report for the European Commission

On 22 October 2018, the Plenary of the European Parliament adopted its position (1st reading), following the report by rapporteur Michel Dantin (EPP/FR) and the vote in the Environment Committee in September 2018.

Beyond the outline report in EWA News October 2018, now the detailed text of the European Parliament legislative resolution (1st reading) is available.
