

Issue 2/2019

Upholding the law

Infringement procedures 12 February to 3 April 2019

Past months have seen a range of legal enforcement actions by the Commission for non-compliance with EU water-related legislation, in particular on the Urban Waste Water Treatment Directive, Drinking Water Directive, Marine Strategy Directive, Environmental Impact Assessment, EU waste legislation and the Nitrates Directive, delivering a Court judgment, an application for penalty payments, several other applications to the Court, Reasoned Opinions and Letters of Formal Notice.
