Clean Water for Europe:  
Quality, Safety, and Sustainability for All

EUROPEAN WATER ASSOCIATION

[WWW.EWA-ONLINE.EU](http://WWW.EWA-ONLINE.EU)

The **European Water Association** (EWA) is an independent non- governmental and non-profit making organisation dealing with the management and improvement of the water environment.

As a major and influential European organisation representing water professionals, EWA promotes the sustainable management of the entire water cycle for Society's needs, coupled with excellent service provided by informed and expert individuals.

EWA member associations have access to more than 50,000 water professionals throughout Europe.

**Together let's be the voice of water in Europe.**

## Your Benefits as an EWA Member :

### Expand your Network

Connect with water professionals from diverse fields and countries through conferences, online meetings, workshops, fairs, and the EWA annual Council meeting.

### Join a Global Network

Become part of a global community with members all over Europe and share your news, events, and publications!

### Get Involved

Collaborate with other experts to influence the European water agenda, legislation, and standardization within EWA's Standing Committees and Working Groups.

### Stay Informed

Receive the latest updates and information in the water sector to stay ahead.

### Enjoy Discounted Access to EWA Events

As a member, benefit from discounted rates for EWA webinars, workshops, and conferences. And free access for you and your members/colleagues to the IFAT Munich fair.

### Showcase your expertise

Give your experts the opportunity to present at our events.

### Increase your visibility

Get yourself known by featuring your website and description on the EWA Website.

### Receive Project Support

Get support from EWA for your EU projects (depending on capacity).

### Be active

All of the above cannot be achieved without your active participation.

## NATIONAL MEMBERSHIP

As a national member, your association plays a vital role in shaping our collective initiatives. You will appoint a representative to our Council, who will actively participate in discussions, help plan activities, and vote on important decisions at our annual Council meeting. The EWA serves as the umbrella organization for national water associations across Europe.

**Membership fee depends on the association's gross income - *contact us for more information***

## CORPORATE MEMBERSHIP

As a corporate member, you gain valuable access to a network of industry experts, influential stakeholders, and innovative solutions in water management, while also contributing to shaping the future of the sector. Corporate Membership is open to appropriate commercial, profit-making and other organizations involved in the water sector in Europe. As a corporate member, you are invited to attend EWA Council meeting as a guest.

**2026 Membership fee Corporate Member: 1,145 EUR**

## RESEARCH MEMBERSHIP

By being an EWA member, you, as an institution are given a platform for research and innovation in the water sector. Research Membership of the EWA is open to any non-profit making research unit, based in Europe, such as research institutions, university departments, laboratory, or any other appropriate unit, in the field of water. Research members are invited as guests to EWA Council meeting.

**2026 Membership fee Research Member: 310 EUR**

## SPONSOR MEMBERSHIP

Sponsor Membership is open to appropriate commercial, profit making and other organizations involved in the water sector in Europe that are especially willing to support the activities of EWA and foster the sustainable water management in Europe. Sponsor members enjoy more benefits compared to our regular members such as:

- One free attendance to EWA conference(s)
- Displaying your logo on EWA all conference(s) flyers

**2026 Membership fee Sponsor Member: 6,290 EUR**
