### European Parliament, water-related Parliamentary questions.

Members of the European Parliament show a regular interest in water issues in their Parliamentary questions. In the period between January 30<sup>th</sup>, 2026, and March 30<sup>th</sup>, 2026, 39 water-related questions were tabled, from Water Framework Directive to Extended Producer Responsibility under the Urban Wastewater Treatment Directive and many more.

EWA News provides you with the link to the questions, their authors, registration numbers and dates in each edition. Details of the questions as well as the answers are easily available at

<http://www.europarl.europa.eu/plenary/en/parliamentary-questions.html?tabType=all>

(just insert the number and the year of the question and click at 'search'). Note: Text in italics in the following are explanatory comments e.g. on the geographical location or the content of the question posed, but not part of the question by the MEP
