EWA launches series of online activities in support of WorldSkills #55: ‘Water Technology’

To help share the knowledge of WorldSkills and help interested European countries and other interested partners prepare for the upcoming WorldSkills events, EWA now launches a series of 12 online activities for support. This is the 2nd online event in the series:

Objectives

The attendants will get a deeper insight into the tasks of the last four days of the WorldSkills competition in Kazan, 2019 and a better understanding of the layout, time schedule and training needs.

Presenters

- Hilmar Tetsch, Chief Expert of Skill #55, Stuttgart, Germany: ‘The Tasks and Judgements of the Competition’
- Lukas Kohl, German Participant in Kazan 2019, Nürnberg, Germany: ‘Participation in WorldSkills as Job Training’
- Aswatha Narayana S., Gold winner of the skill #55 in Kazan 2019, India: ‘The Winner Takes It All -What happened after the Competition?’

Moderator

- Rüdiger Heidebrecht, Head of Department Training and International Cooperation in the German Association for Water, Wastewater and Waste (DWA)

Target group

Free online introduction to WorldSkills and Water Technology competition for all persons interested, but especially for persons who have already participated in #A1
