

EWA Online Course EU Policy and Legislation

Introduction to EU Water Politics Online

Date and time 1. Online session: 06.10.2020 at 15:00
2. Online session: 07.10.2020 at 15:00

Registration fee 119 €

Registration and payment

Objectives

Participants will be made familiar with development and principles of EU water policy, the decision-taking and implementation/scrutiny process, governance at EU level (openness, transparency, citizens' right on access to documents; rights of complaint and petition, as well as the key legislative elements of EU water policy and their implementation.

Target audience

Persons working for:

- Governmental and advisory bodies, experts, planners and other practitioners at local, regional and national level involved in water management and water protection;
- Industries involved in planning, permitting, monitoring and analysis;
- Research and training institutions, consultants involved in the water sector;
- Water utilities and management associations in the waste water and drinking water sector;
- Non-governmental organisations and stakeholder bodies involved in the water sector

Further information

Please notice that the number of participants admitted to the course is restricted.

In order to heighten the gain of the course, all participants will be expected to contribute actively with questions and comments during both webinars.

Following the course, participants will get access to downloading a comprehensive documentation of the issues presented (policy documents, legislation, implementation reports and court judgments).

A certificate of participation will be sent out to all attendants after completion of the course. Participants will have to attend to both online sessions in order to have completed the course.
