### European Parliament questions

**38 water-related questions from Parliamentarians, from pollution of beaches to the consequences of flood disasters.**

The European Parliament is directly elected by citizens of all Member States. Political composition see graphics below.

One key element within its right to political control is the right to table written and oral questions to European Institutions, largely , to a smaller extent to the Council.

Members of Parliament show a regular interest of water issues in their Parliamentary questions.

In the period between 1 August and 30 November 2021, 38 water-related questions have been tabled.

EWA News provides you in each edition the summary text of the questions, their authors, registration numbers and dates. Details of the questions as well as the answers are easily available at <http://www.europarl.europa.eu/plenary/en/parliamentary-questions.html?tabType=all>
