

Issue 6/2021

Baltic Sea Commission HELCOM adopts updated Baltic Sea Action Plan HELCOM Ministerial Meeting 20 October 2021

The Helsinki Convention (Convention on the Protection of the Marine Environment of the Baltic Sea Area) as a convention under International Law on the protection of the marine environment of the Baltic Sea. It was initially signed in 1974 and updated since. Contracting Parties are Denmark, Estonia, the European Union, Finland, Germany, Latvia, Lithuania, Poland, Russia and Sweden.

HELCOM on 20 October 2021 at a Ministerial Meeting adopted the updated Baltic Sea Action Plan (BSAP), charting a way forward for a healthy Baltic Sea.
