Court judgment in the Google case

In the long-standing dispute within EU competition law between the EU and Google on the alleged abuse of dominant position, a first Court judgment has been passed on 14.09.2022 by the General Court of the European Union, largely confirming the Commission 2018 Decision linked to a fine of .

The Court judgment largely confirmed the 2018 Commission Decision, however reducing the fine from 4.343 billion EUR to 4.125 billion EUR.

Against this judgment, an appeal - limited to points of law only - may be brought before the Court of Justice, within two months and ten days of notification of the decision.
