Ocean biodiversity: global agreement on protection and sustainable use of resources and biodiversity in high seas achieved 4 March 2023

Photo: Earth Negotiations Bulletin (ENB)¹

On 4 March 2023, global negotiations concluded on the landmark **Treaty of the High Seas to protect the ocean, tackle environmental degradation, fight climate change, and prevent biodiversity loss.**

EWA NEWS presents you an outline of the results, the background and the leading role of the EU and its Member States in developing and negotiating the Treaty.

¹ Earth Negotiations Bulletin (ENB) is a balanced, timely, and independent reporting service on United Nations environment and development negotiations.
