The Guardian: ‘Historic moment’ for nature as Europe’s first wild river national park announced in Albania

One of the last wild rivers in Europe, home to more than 1,000 animal and plant species, has been declared a national park by the Albanian government, making the Vjosa the first of its kind on the continent.

EWA NEWS present you, courtesy of Guardian News & Media Ltd, information on this historic moment for water protection and nature protection in Europe.
