

Issue 2/2023

2023 Danube Water Conference Organised by International Association of Water Service Companies in the Danube River Catchment Area (IAWD) and World Bank

The 2023 Danube Water Conference „Navigating Changing Waters“ will take place in Vienna, Austria, from 31 May to 2 June 2023. It will focus on how to deal with the multiple challenges the water sector is facing – with ample elbow room available for celebrations.
