European Parliament questions

19 water-related questions from Parliamentarians, from the Bathing Water Directive to privatisation of water supplies in Italy

The European Parliament is directly elected by citizens of all Member States.

Members of Parliament show a regular interest of water issues in their Parliamentary questions.

In the period between 1 July to 4 August 2023, 19 water-related questions have been tabled.

EWA News provides you in each edition the summary text of the questions, their authors, registration numbers and dates, as well as a link to details of the questions, and where already available answers to these questions.
