**Transforming EU land use and the CAP: a post-2024 vision:
Policy paper by the Institute for European Environmental Policy
(IEEP)**

The Institute for European Environmental Policy (IEEP) has just published a new policy vision to transform EU land use and the Common Agricultural Policy (CAP). This paper presents a new vision by IEEP and partners to transform EU land use and the Common Agricultural Policy (CAP) in the coming decade.

EWA NEWS presents you the key conclusions as well as a link to the full version of the paper.
