

Revision of the Urban Wastewater Directive: Environment Committee of the European Parliament voted in 1st reading

On 26 October 2022, the Commission had proposed the revision of the Directive in line with the results of an evaluation and on the basis of an extensive impact assessment, adapting it to the newest standards. (cf. EWA NEWS December 2022)

In the legislative procedure, the Environment Committee of the European Parliament has comprehensively discussed the proposal under the guidance of rapporteur Nils TORVALDS (FI /Renew Europe Group), and has in September 2023 come to its conclusion, i.e. the draft report for discussion and adoption by the European Parliament Plenary.
