Consultation on procedure for access to justice in environmental matters in relation to State aid decisions

The proposed new procedure aims to give public access to justice to challenge specific decisions on State aid measures that allegedly contravene EU Environmental Law

The European Commission has launched a targeted consultation until 6 September 2024 to seek feedback from the business community and public authorities on a proposed new procedure aimed to give public access to judicial procedures to challenge specific decisions on State aid measures that allegedly contravene EU environmental law.
